DETAILED ACTION

1. Claims 17-24 are allowed and renumbered as 1-8, respectively.
2. The following is an examiner's statement of reasons for allowance:

The cited art taken either singly or in combination with other prior arts fails to anticipate or fairly suggest the limitations which the Applicant claims in independent claim 17 in a manner which would warrant a rejection under 35 U.S.C. § 102 or 35 U.S.C. § 103, especially when these limitations are considered within the specific combination claimed.

The cited art, U.S. Pat. No. 6,424,223 to Wang et al., fails to teach or render obvious at least, among others, the method steps of: connecting a single corresponding bond wire between each of the at least one pair of bond pads such that each bond pad of each of the at least one pair of bond pads has only one bond wire end connected thereto, and locating a first bond pad of the at least one pair of bond pads in an internal portion of the semiconductor die, as recited in claim 17, especially when these limitations are considered within the specific combination claimed.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Luan Thai whose telephone number is 571-272-1935. The examiner can normally be reached on 6:45 AM - 4:15 PM, Monday to Friday.
